

**Coastal Sediments 2019**  
**May 27-31, 2019**  
**Tampa/St. Petersburg, FL**

<http://coastalsediments.cas.usf.edu/index.html>

**Overview**

*Coastal Sediments* is an international coastal science and engineering conference held every four years since 1977, alternating with its sister conference, *Coastal Dynamics*. Approximately 300 coastal engineers and scientists from 27 countries attended *Coastal Sediments 2015* in San Diego, California, USA. The *Coastal Sediments Proceedings*, published by World Scientific, are peer-reviewed and have a high impact on the coastal science and engineering community as tracked by Google Scholar.

*Coastal Sediments 2019 (CS19)*, the 9<sup>th</sup> Conference in the *Coastal Sediments Series*, will be held in Tampa/St. Petersburg, FL, with the theme of “Advancing Science & Engineering for Resilient Coastal Systems.” Oral and poster presentations and accompanying papers will be selected from abstracts submitted on a variety of topics including special sessions. The conference topics and the special sessions, along with other conference information, are listed on the conference website (<http://coastalsediments.cas.usf.edu/index.html>).

*Optional Full-Day Short Courses* will be offered on May 27, 2019; Four optional full-day Short Courses will be offered on Monday, May 27:

- Short Course 1: GenCade
- Short Course 2: Advanced modelling with XBeach-nonhydrostatic
- Short Course 3: Coastal Imaging Data Processing
- Short Course 4: Data Science for Coastal Engineers and Scientists

*Optional Technical Tours* will be offered in full-and half-day formats on May 31, 2019.

- Pinellas County Coastal Projects & Geomorphic Features - 4 ½ hours
- Beaches, Spits and Ephemeral Islands North and South of the Tampa Bay Entrance – 8 hours

**Important Dates**

- |             |                                      |
|-------------|--------------------------------------|
| Dec 1, 2018 | Registration open                    |
| Feb 1, 2019 | Full digital papers due (4-12 pages) |

*Coastal Sediments 2019*

- |             |   |
|-------------|---|
| 27 May 2019 | Optional full-day short courses, opening reception  |
| 28 May 2019 | Keynotes; concurrent sessions; buffet lunch with luncheon speaker; afternoon poster session |
| 29 May 2019 | Concurrent sessions; lunch on your own; evening poster session                              |
| 30 May 2019 | Concurrent sessions; awards Luncheon  |
| 31 May 2019 | Optional full and half-day technical tours  |

## Hotel

CS19 will be held in Tampa/St. Petersburg, Florida at the TradeWinds Island Grand Resort, located directly on the beach, 5500 Gulf Blvd, St. Petersburg, Beach, FL 33706, +1-727-367-6461, fax +1-727-363-2275, and online reservation at: <https://www.tradewindsresort.com/coastal>

## Who

*Technical Colleagues* – CS19 will provide an international forum for technical discussions and networking with coastal engineers, geologists, oceanographers, and others interested in the physical processes of coastal sediments and morphology change. Professionals, graduate students, and active retirees are invited to exchange knowledge, share experiences, and establish or enhance collaborations.

*Sponsors and Exhibitors* – A range of sponsorships, including exhibits, are available ranging from \$900 to \$10,000 USD to market and support agencies and companies. Exhibitors will set up booths in the coffee break area to discuss products and services with attendees. More information for sponsors and exhibitors can be found on the CS19 website.

*Students* – A student paper contest will award the top 2 student achievers with a monetary award, to be announced at the Awards Luncheon on Thursday, May 30, 2019. Students must be enrolled full-time at an accredited college or university.

*Coastal Award* –The CS19 Coastal Award, one of the most prestigious awards in coastal science, will be presented to the winner at the Awards Luncheon on Thursday, May 30, 2019.

*Families* – St. Pete Beach, FL is renowned for beautiful beaches and weather and a variety of family day excursions (<https://www.tradewindsresort.com/index>).

## How Much

Registration Fees for CS19 are as follows:

Professional registration by 1 Apr 2019: \$700

1 Apr – 20 May 2019: \$800

After 20 May: \$900

Student\* registration by 1 Apr 2019: \$350

After 1 Apr 2019: \$400

One-day Professional registration: \$400

One-day Student registration: \$150

Accompanying person opening reception: \$100

Accompanying person lunch: \$100

½ Day Field Trip \$125

Full Day Field Trip (w/box lunch) \$175

Full Day Short Course (w/lunch) \$175

*\*Students must be enrolled full-time at an accredited college or university.*

## Registration

Conference registration will be provided via the CS19 website,  
<http://coastalsediments.cas.usf.edu/index.html>.

### **Airport and Transportation**

Coastal Sediments 2019 will be held at the TradeWinds Island Grand Resort, which is located in the Tampa Bay Area of Florida's Central West Coast directly on the Gulf of Mexico beach. Both Tampa International Airport and St. Petersburg/Clearwater Airport are about 30 minutes away, via Interstate 275, shuttle, taxi/Uber, or rental car.
